Misc. Costs

 \$ _____ **For** _____

 \$ _____ **For** _____

 \$ _____ **For** _____

Here is a Tip – Have the title agent e-mail you a “Dummy” HUD1 which outlines your title costs based upon the amount of money you plan to finance. Be sure they include recording fees and doc stamps for the new mortgage. This is a great way to get a lot of the blanks filled in and visualize the title and government costs without writing everything down.
